

CERTIFICATE OF APPRECIATION

STEELFUR SYSTEM PVT.LTD. is a smart storage solutions provider company and is our approved supplier and contractor. Steelfur is regularly supplying us Industrial Storage Racks, Industrial Steel Mezzanine Floors, Steel Pallets and special customized steel fabrication solutions for our warehouses.

They have provided us the customized solutions to suit our best requirements for storage and logistics. Steelfur has provided turnkey solutions for different steel mezzanines for our dispatch and factory ware houses, Shelving Racks for our packing store and very large quantity of Steel Pallets for our ASRS palletized Racking System. It is our delight to state that the products offered to us are of superior quality in terms of design, manufacturing, finishing and reliable in their performance. We have experienced that the company has skilled and trained technicians and their services towards the delivery, installation is on time.

We wish them very bright prospectus.
